**Re: United States v. Israel Reyes  
14 Cr. 483 (LAP)**

Dear Judge Preska:

As counsel to Israel Reyes, I write to respectfully request that the Court modify his bail conditions to permit him to take his three children to their first day of school on September 4, 2014, in the Bronx. The Government (AUSA Brendan Quigley) consents to this request.

Mr. Reyes is charged in a narcotics conspiracy. He is released on a set of bail conditions including home incarceration with electronic monitoring. He has three children, ages 11 through 5, who are all starting school on September 4. The two oldest children attend one school, and the youngest child attends another. Mr. Reyes would like permission to leave his home between 7:30 and 10:00 a.m. to take the children to their respective schools and then return home immediately thereafter. As noted, the Government consents to this request.
